Split Tape

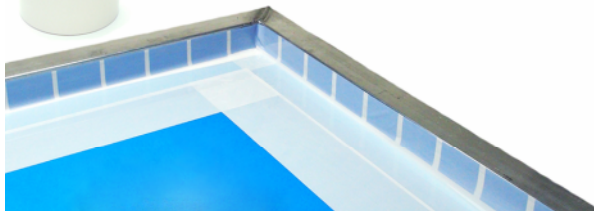

Blue areas do not contain adhesive allowing Split Tape to peel cleanly without leaving residue, tearing or damaging your emulsion

For masking the inside of rigid aluminum, roller and wooden frames
Available in 2"x60YD (36rls/case), 3"x60YD (24rls/case) & 4"x60YD (18rls/case)

Full Adhesive Tape

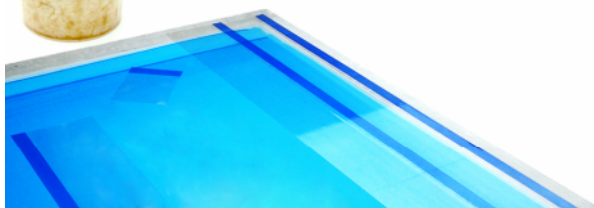

Same adhesive and backing as Split Tape allowing for a clean removal. Just without the blue adhesive-free areas.

For taping further into the screen, taping the print side of screens as a blockout tape and masking the inside of wooden frames.
Available in 2"x60YD (36rls/case), 3"x60YD (24rls/case) & 4"x60YD (18rls/case)

Quick Rip Tape

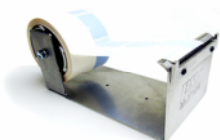

Hand-tearable with a blue non-adhesive edge providing a tab to lift Quick Rip Tape from the screen. Same adhesive and backing as Split Tape allowing for a clean removal.

For taping the print side of screens as a block out tape.
Available in 2"x60YD (36rls/case) & 3"x60YD (24rls/case)
