Quick Pallet-replacement Solution

**Quick Pallet-replacement
Solution upgrade for your
Kornit Avalanche and
Kornit Storm Platforms**

The QPRS provides quick and easy pallet changeovers enabling higher production output.

**Makes pallet
replacment
simple and
easy**

**Save time on
pallet
changeovers**

**Support your
existing and
future Kornit
pallets**

Quick Pallet-replacement Solution Upgrade:

With the new **Quick Pallet-replacement Solution**, pallet changeover can be performed in seconds, instead of minutes. The **fast and easy process** means that now you can accept orders for all print sizes without the the worry of pallet replacement downtime.

By reducing pallet replacement delays from your production planning, you can:

save time
serve more clients
and extend your output!
